The Circa Astra is a sophisticated acoustical luminous cloud that delivers uniform, edge-to-edge lighting. Available in multiple color temperature options, this fixture is perfect for those seeking versatile, high-efficiency lighting solutions. Its integrated blackout reflector maximizes lumen output, ensuring bright, consistent illumination. Choose from suspended, recessed, or surface-mounted options to match your design aesthetic. The Circa Astra is available in six sizes and can be dimmed with 0 to 10V or Dali for added control.
