Stand alone

The Linea Astra is an acoustical luminous cloud offering sleek, edge-to-edge homogeneous lighting with customizable color temperature options. Perfect for modern spaces, this fixture can be tailored to fit any design vision. Its enclosed system includes a blackout reflector that ensures efficient light distribution, making it a powerful and stylish lighting solution. Available in five sizes and compatible with dimming options like 0 to 10V or Dali, the Linea Astra is as flexible as it is functional.
