

LumiCloud 3D Inspiration CATALOG

Distinctive Immersive Memorable

**LumiCloud 3D transforms
ordinary illumination
into a multi-dimensional
experience.**

3 — Introduction

4 — Nature - inspiration option

14 — Sky - inspiration option

20 — Ocean - inspiration option

26 — Abstract - inspiration option

34 — City - inspiration option

CONTENTS

• Light with Depth, Dimension, and Design

LumiCloud 3D introduces a new way to experience illumination—where light and pattern combine to create a **stunning three-dimensional visual effect**. The result is a bold statement that transforms ceilings and walls into vibrant, dynamic surfaces.

THE BACK BANNER

THE FRONT MESH BANNER
BANNER

THE BACK BANNER +
MESH BANNER

• The Back Banner + the Mesh Banner

- The back banner (solid) provides the background scene.
- The front mesh banner adds semi-transparent elements that create depth and motion when viewed from different angles.
- The distance between the two banners amplifies the 3D effect.

Choose from a curated range of **visual patterns**, designed to inspire every environment.
