

LightTex Silent

LightTex Silent is a sustainable fabric diffuser with acoustical properties. Its level of lighting transmission makes it the perfect solution for TLS luminous surface solutions. Wrinkle free and light weight. Suitable for commercial applications.

Technical Information

PN	FAB-DY-TR-LTS-011
Characteristic	Indoor / Outdoor
Print	No Printable
Material	100% Polyester
Dimension	3.2x100M
Weight (Sqm)	178g
Transmission	37%
Cutting Method	Laser
Fire Classification	NFPA-701, B1, EN 13501-1, B-s1, d0

Advantages

- Wrinkle free.
- Lightweight nature simplifies transport and installation.
- Durable.

Applications

- Retail and commercial spaces
- corporate offices
- Hospitality and other environments.
